FREE ENTRY AUTHORIZED FOR PARTICIPANTS, OFFICIALS, AND EXECUTIVES OF THE WORLD ASSOCIATION OF GIRL GUIDES AND GIRL SCOUTS SILVER JUBILEE CAMP ARRIVING IN THE UNITED STATES

JULY 28, 1937.

To Collectors of Customs and Others Concerned:

Public Resolution No. 193 of the 75th Congress, approved by the President July 8, 1937, provides in part that alien Girl Guides and Girl Scouts participants, officials, and executives who are accredited members of delegations to the World Association of Girl Guides and Girl Scouts Silver Jubilee Camp to be held in the United States in 1937, shall be permitted the free entry of their personal effects and their equipment to be used in connection with the Silver Jubilee Camp, under such regulations as may be prescribed by the Secretary of the Treasury.

Pursuant to the above provision of law, collectors of customs are directed to advise all persons to whom the privileges of Public Resolution No. 193 are extended that none of the articles accorded free entry under the said Resolution may be sold in the United States, and that all such articles not consumed or totally destroyed must be exported from this country.

All articles imported by delegates in their baggage, except articles properly classifiable as personal effects of a non-resident entering the United States, should be listed in detail on a regular baggage declaration form and there should be indorsed on the face of the declaration a stipulation of the declarant that all articles accorded free entry under Public Resolution No. 193, which are not consumed or totally destroyed, will be exported. Exportation under customs supervision will not be required. In the case of articles classifiable as personal effects of a nonresident entering the United States which do not accompany the owner, a written declaration will be required as provided for in article 417 of the Customs Regulations of 1931.

As evidence of the right of free entry hereunder, the persons enumerated above shall be required to present to customs officers individual identity cards issued by their own Governments or issued by the World Association of Girl Guides and Girl Scouts indicating their Girl Guide or Girl Scout status and nationality, and duly visaed without charge by American consular officers abroad.

In those cases in which personal effects or equipment to be used in connection with the Girl Guides and Girl Scouts Silver Jubilee Camp arrive in the United States prior to the arrival of the participants or other persons enumerated above, free entry will be accorded upon request therefor by the diplomatic representative of the country of the owner to the Treasury Department, through the Department of State,

In any case in which the collector is in doubt as to whether an article imported under Public Resolution No. 193 is contemplated by that provision of law, the matter should be referred to the Bureau of Customs for decision, if the said article is not free of duty under another provision of law.

The Department is informed that the Silver Jubilee Camp will be held at Camp Andree, Briarcliff Manor, New York, from August 9 to 23, 1937.

INTERSTATE COMMERCE COMMISSION.

ORDER

At a session of the Interstate Commerce Commission, Division 5, held at its office in Washington, D. C., on the 13th day of July, A. D. 1937.

[Ex Parte No. MC-1]

PAYMENT OF RATES AND CHARGES OF MOTOR CARRIERS

Investigation of the matters and things involved in this proceeding having been made, and said division, on the

date hereof, having made and filed a report¹ herein containing its findings of fact and conclusions thereon, which report is made a part hereof:

It is ordered, That the following rules governing the settlement of tariff rates and charges of common carriers of property by motor vehicle be, and they are hereby, prescribed to become effective October 1, 1937:

1. Upon taking precautions deemed by them to be sufficient to assure payment of the tariff charges within the credit period herein specified, common carriers by motor vehicle may relinquish possession of freight in advance of the payment of the tariff charges thereon and may extend credit in the amount of such charges to those who undertake to pay them, such persons herein being called shippers, for a period of 7 days, excluding Sundays and legal holidays other than Saturday half-holiday. When the freight bill covering a shipment is presented to the shipper on or before the date of delivery, the credit period shall run from the first 12 o'clock midnight following delivery of the freight. When the freight bill is not presented to the shipper on or before the date of delivery, the credit period shall run from the first 12 o'clock midnight following the presentation of the freight bill.

2. Where a common carrier by motor vehicle has relinquished possession of freight and collected the amount of tariff charges presented by it as the total amount of such charges, and another freight bill for additional freight charges is thereafter presented to the shipper, the carrier may extend credit in the amount of such additional charges for a period of 30 calendar days to be computed from the first 12 o'clock midnight following the presentation of the subsequently presented freight bill.

3. Freight bills for all transportation charges shall be presented to the shippers within 7 calendar days from the first 12 o'clock midnight following delivery of the freight.

4. Shippers may elect to have their freight bills presented by means of the United States mails, and when the mail service is so used the time of mailing by the carrier shall be deemed to be the time of presentation of the bills. In case of dispute as to the time of mailing the postmark shall be accepted as showing such time.

5. The mailing by the shipper of valid checks, drafts or money orders, which are satisfactory to the carrier, in payment of freight charges within the credit period allowed such shipper may be deemed to be the collection of the tariff rates and charges within the credit period for the purpose of these rules. In case of dispute as to the time of mailing the postmark shall be accepted as showing such time.

It is further ordered, That this investigation as it relates to the practices of contract carriers of property by motor vehicle be, and it is hereby, discontinued.

It is further ordered, That, effective October 1, 1937, our orders entered March 17, 1936, and July 8, 1936,² under the authority of section 223 of the Motor Carrier Act, 1935, in the matter of collection of rates and charges at destination by common carriers by motor vehicle be, and they are hereby, vacated and set aside.

And it is further ordered, That this order shall continue in effect until further order of the Commission.

By the Commission, division 5.
